Applicant(s): Mitchell C. Green and Roger Chickering
 ENHANCED BUDDY LIST INTERFACE

The screenshot shows the AOL Communicator interface. At the top is a menu bar with 'File', 'Edit', 'View', 'Messages', 'Spam', 'Tools', 'Window', and 'Help'. Below the menu bar is a toolbar with icons for 'Read', 'Write', 'Reply', 'Reply All', 'Forward', 'Move', 'Print', 'Keep New', 'Status', 'Spam', and 'Delete'. On the left side, there's a 'Buddy List' with entries like 'Personal (6/121)', 'Bosses (17/40)', and 'ANDY'. Below it is a list of 'Accounts and Folders' including 'Inbox (29)', 'Sent', 'Trash', 'Drafts', 'Deleted Messages', 'Local Mail', 'Outbox', 'Spam on AOL', and 'Spam on Ne...'. The main pane displays an email conversation. The email is from 'Andy' to 'Mitch'. The subject is 'Re: "Saved" folder, IMAP APPEND'. The message body contains the text: 'not to mention the mass confusion among the masses about why they have a Spam folder'. A handwritten 'Fig. 7' is visible in the message pane. The status bar at the bottom indicates 'AOL: 29 new messages' and 'Unread: 29, Total: 170'.
